

## **DAN MATTOON**

**Dan has been involved in virtually all aspects of ski jumping with a passion and energy that comes from a true love of the sport. He was a top-level competitor, a coach, and continues to serve as an FIS judge and Technical Delegate.**

**Currently he serves on the Board of Directors of USA Ski Jumping helping to revive and grow the sport.**

**He lives in Eau Claire, WI and has been the driving force behind many projects with the Eau Claire Ski Club. He has also worked many years with the Silver Mine ski jump and jumps at Mount Washington and the Flying Eagles Ski Club.**

**Dan has involved himself with the extensive renovations of several of the hills in the area, along with the purchase and installation of snowmaking and grooming equipment and plastic for summer ski jumping. Because of his countless hours and support of ski jumping he has helped the sport to grow nationally.**
